<input type="checkbox"/>	106	Environmental care and biosecurity precaution
<input type="checkbox"/>	107	Swiftwater and flood hazard managements
<input type="checkbox"/>	108	Medical consideration for Swiftwater and flood
<input type="checkbox"/>	109	Vehicle drowning prevention and escape methods
<input type="checkbox"/>	110	Basic equipment for water rescue
<input type="checkbox"/>	111	Contamination and decontamination for flooding
<input type="checkbox"/>	112	Watercraft types and application for use
<input type="checkbox"/>	113	River Swimming (defensive and aggressive) for self rescue
<input type="checkbox"/>	114	Use of water rescue throw bags (receive and throw)
<input type="checkbox"/>	115	Shallow water crossing methods
<input type="checkbox"/>	116	Entrapment drills and cinch techniques (shore base)
<input type="checkbox"/>	117	Shore-based vehicle in water stabilization
<input type="checkbox"/>	118	Selection and construction of single point anchors
<input type="checkbox"/>	119	Edge Lines
<input type="checkbox"/>	120	Basic safety around aircraft
<input type="checkbox"/>	121	In water spinal rolls
<input type="checkbox"/>	122	Throw bagged rescue swimmer
<input type="checkbox"/>	123	Capture device (Snag plate) applications
<input type="checkbox"/>	124	Culverts and storm drain hazards and rescue
<input type="checkbox"/>	125	Reached based rescue systems
<input type="checkbox"/>	126	Water body recovery modes
<input type="checkbox"/>	127	Rescue communication (radios)
<input type="checkbox"/>	128	Vehicle behavior in static and flowing water

## Swiftwater Rescue Skills Assessment Form Levels 1 & 2

LEVEL 2		
<input type="checkbox"/>	201	Mechanical advantage rigging
<input type="checkbox"/>	202	Tensioned diagonal/zip line evacuation(self)
<input type="checkbox"/>	203	Tensioned diagonal/zipline attended(w/ casualty)
<input type="checkbox"/>	204	Boat on tether (2 point)
<input type="checkbox"/>	205	Boat on tether (4 point)
<input type="checkbox"/>	206	Combat and towed swim
<input type="checkbox"/>	207	Live bait (tethered) swimmer rescue
<input type="checkbox"/>	208	V Lower rescue swimmer and quick release
<input type="checkbox"/>	209	Boat on basic highline
<input type="checkbox"/>	210	Knowledge of boat unwrapping/un-pinning
<input type="checkbox"/>	211	Knowledge of canals and aqueduct rescue hazards and rescue
<input type="checkbox"/>	212	Knowledge of low head dam rescue hazards and techniques
<input type="checkbox"/>	213	Rescue PFD quick release
<input type="checkbox"/>	214	Carry out river and flood rescue search
<input type="checkbox"/>	215	Vehicle in water: wading access rescue
<input type="checkbox"/>	216	Diving mask and snorkel operation
<input type="checkbox"/>	217	Boat based parbuckling
<input type="checkbox"/>	218	Rescue from Ice, Mud and other unstable surfaces
<input type="checkbox"/>	219	Rescue from canal locks and sluices
<input type="checkbox"/>	220	Power Boat types
<input type="checkbox"/>	221	Knowledge of line (rope) crossing methods
<input type="checkbox"/>	222	Independent belay/safety system for rescue loads
<input type="checkbox"/>	223	Vector lines by hand/with additional line (still releasable)
<input type="checkbox"/>	224	Boat on reeving highline
<input type="checkbox"/>	225	Carry out unwrapping or unpinning of boats
<input type="checkbox"/>	226	Wader float/safety drill (swept away Self/team rescue)
<input type="checkbox"/>	227	Basic paddle boat handling class I-II
<input type="checkbox"/>	228	Basic paddle boat handling class III
<input type="checkbox"/>	229	Advanced swimming class III
<input type="checkbox"/>	230	Rescue communication (whistle and hand signals on rope)
<input type="checkbox"/>	231	Throw bag hand tensioned pendulum line
<input type="checkbox"/>	232	Boat on tensioned pendulum line
<input type="checkbox"/>	233	Boat on tension diagonals
<input type="checkbox"/>	234	In water victim release/escape tactics
<input type="checkbox"/>	235	In water victim towed swim using adjunct
<input type="checkbox"/>	236	Perform line(rope) crossing methods
<input type="checkbox"/>	237	River board or floating adjunct operation
